Transcripts from non-English speaking countries must be translated into English and must be evaluated by an agency approved by Ranger College. A list of approved evaluators is provided in this packet. **It is the student's responsibility to submit the information to the evaluator and pay any required costs.** Admission will not be considered until the evaluated transcript has been received by the college directly from the evaluation agency.
2. All international students are required to take the Test of English as a Foreign Language (TOEFL), unless their native language is English. Students from English-speaking countries may be subject to take the TOEFL during the first semester, if they have a score below 180 on the Reading and Writing portions of the required Texas Higher Education Assessment (THEA) exam, the Texas state-mandated college entrance exam. A score of 17 or higher in the English section of the American College Test (ACT) or a score of 430

or higher on the verbal section of the Scholastic Assessment Test I (SAT I) will also exempt an international student from the TOEFL exam requirement. These scores do **not** exempt a student from the Texas college entrance placement (THEA) exam requirement. An official copy of scores on the TOEFL, must be received directly from the Educational Testing Service (ETS). No score below 500 (paper-based version); or 173 (computer-based version) on the TOEFL will be accepted for admission. Information about the TOEFL exam may be obtained from the Educational Testing Service, Box 899, Princeton, NJ 08540, U.S.A. The website address is [www.toefl.com](http://www.toefl.com)

3. Every undergraduate student entering Ranger College, unless exempt, will be required to test for proficiency in reading English, writing English and college-level math skills before enrolling in college-level courses (THEA or Asset). This exam is available for the international student to take, once he/she has arrived on campus, and before being allowed to enroll in classes. If a student is found deficient (below college-level knowledge) in one or more of these areas, he/she will be required to take the college preparatory courses in the area of deficiency.

Students who meet one of the following criteria will be exempt from testing:

- a. SAT Exam – combined score in verbal and math of 1070, with a minimum of 500 on each section;
  - b. ACT Exam – composite score of 23 with a minimum of 19 on the English and mathematics section;
  - c. Graduate with an associate or baccalaureate degree from an institution of higher education;
  - d. A student who transfers in from another accredited U.S. institution of higher education and has satisfactorily completed college-level coursework (grade C or better) in the areas of English, reading-intensive courses, and mathematics.
  - e. A student who has previously attended any Texas institution and has been determined to have met readiness standards by that institution;
4. Return the original copy of the Financial Agreement form signed by both the student and the parent/guardian or sponsor. **An official document from the parent or sponsor’s employer or other proof of income, stating the ability to support the student financially MUST be attached to this form.**
  5. Return the original copy of the Financial Statement, signed by the student, parent/guardian or sponsor, and notary. An official from the parent/guardian/sponsor’s banking institution must also sign at the bottom of the form and include an official stamp/seal of the institution.
  6. Complete and sign the Financial Status form. Even if the student is receiving a scholarship or other assistance from Ranger College, this form must be completed to show financial support above and beyond cost of education and what the school provides in scholarship awards.

7. All international students should participate in a Student Accident and Sickness Insurance Plan to help cover any unexpected medical expenses, while studying in the U.S. **Ranger College will not be responsible for any existing medical condition nor out-of-pocket medical expenses incurred by the student, which is deemed above and beyond the stipulations of a contract with Ranger College (i.e., athletic scholarship, etc.).**
8. The international student is required to have a provision for medical evacuation coverage. A copy of the insurance policy, or insurance card (showing proof of coverage) must be submitted with the application and before an I-20 will be issued.

Upon receipt of the required information listed in numbers one (1) through eight (8) above, Ranger College will review the applicant's admission information and evaluate it for authenticity. If the student meets the admission requirements, Ranger College will issue the I-20 form and mail it to the student's home address.

**International students are** required to live in college housing, based on availability, unless otherwise waived by the Dean of Students. For more information on reserving a dorm room, contact the Student Services office at (254) 647-3234.
