Homeless

If you have received an email requesting “Homeless” documentation, you listed on the FAFSA that you were or are currently are considered homeless. If this is correct you will need to get documentation for proof. If you were listed as homeless by your high school you can get a letter from the homeless liaison at your high school. If you were not homeless while in high school but are currently you can submit a notarized letter from a shelter you have checked in to. If you have any questions please feel free to contact our office at 254-267-7110.
