MEET OUR NEW UPWARD BOUND DIRECTOR!

*Misharee
Gunstanson*

Misharee is no new face to the
program as she has taught the
Summer Academy English classes
since the beginning of the program
and has enjoyed chaperoning on a
few of the summer trips.

After graduating with her Bachelor of
Arts in General Studies from Texas Tech
University, she began teaching English at
Cisco High School.

Upon realizing that she wanted to have a greater, more individualized impact
on students, she set out to tackle grad school. This past December, she
graduated with her Master of Education in Counseling. Having been with the
Ranger College Upward Bound program since its initiation, she has had the
privilege of watching it grow and evolve over the years. Seeing the success of
the program and how beneficial it is to the students in our community, she
jumped at the opportunity to lead the program full-time!

Misharee is married to her wonderful husband, Johnathon, and together they
have three children, ages 9, 6, and 3. In her spare time, you can find her
enjoying a good book, painting, camping with her family, or running her kids to
the numerous activities they are involved in.

We are looking forward to a successful year with our Upward Bound program,
and we can't wait to see what the future holds!

MORE THAN JUST BOOKS BY GOLEMON ASSISTANT LIBRARIAN, HELEN COZART

HOW WAS YOUR FIRST WEEK? OURS WAS GREAT HERE IN THE LIBRARY! SO MANY NEW AND OLD FACES TO SEE. I WANT TO REMIND EVERYONE THAT EBSCO IS GONE. IF YOU HAVE ASSIGNMENTS THAT SPECIFY DATABASES, NOW IS THE TIME TO CHANGE THEM TO GALE. IF YOU NEED HELP FIGURING OUT GOOD EQUIVALENTS, LET US KNOW. WE CAN HELP.

I ALSO WANT TO REMIND YOU ABOUT THE LIBRARY CANVAS CLASS. THERE ARE A PRETTY WIDE RANGE OF SHORT VIDEOS TO HELP EXPLAIN DIFFERENT STUDY TOPICS. ACROSS SEVEN MODULES WE LOOK AT USING LIBRARY RESOURCES, ORGANIZATIONAL SKILLS, INFORMATION LITERACY, CONDUCTING RESEARCH, WRITING PAPERS, CITATIONS AND PLAGIARISM, AND DOING ONLINE ASSIGNMENTS. WATCHING A VIDEO AND ANSWERING THE QUESTIONS SHOULD TAKE LESS THAN SEVEN MINUTES, SO IT DOES NOT ADD A BIG BURDEN TO THE COURSELOAD, BUT CAN PROVIDE A TON OF INFORMATION YOU WON'T HAVE TO GO OVER IN CLASS.

WHAT TO DO THIS WEEKEND: THE CHISOLM TRAIL EXHIBIT OPENS AT THE EASTLAND COUNTY MUSEUM AUGUST 31ST AND RUNS UNTIL OCTOBER 27. THE EXHIBIT WAS CREATED TO CELEBRATE THE 150TH ANNIVERSARY OF THIS FABLED TRAIL WHICH TOOK MILLIONS OF LONGHORNS NORTH TO RAILROADS IN KANSAS. THE MONEY FROM THE SALE OF THE LONGHORNS BROUGHT TEXAS OUT OF THE FINANCIAL DISASTER FOLLOWING THE CIVIL WAR. EASTLAND COUNTY MUSEUM HOURS ARE THURSDAYS THROUGH SATURDAYS 10 A.M. TO 2 P.M. WHEN VOLUNTEERS ARE AVAILABLE. EASTLAND COUNTY MUSEUM IS LOCATED AT 114 S. SEAMAN ST., EASTLAND. THERE IS NEVER A FEE TO VISIT THE MUSEUM, BUT DONATIONS ARE WELCOME.

IN THE WINDOW THIS WEEK: OUR WINDOWS THIS YEAR ARE GOING TO BE DEDICATED TO SPACE AND SPACE SCIENCE. IF YOU WOULD LIKE TO LOOK AT THE WHOLE SCHEDULE SO YOU CAN COORDINATE CLASSROOM INSTRUCTION, CHECK OUT [THE CALENDAR](#). THIS WEEK WE ARE STILL STARTING WITH THE BASICS BY LOOKING AT VOCABULARY AND GENERAL REFERENCE AS A WARM UP. LET YOUR STUDENTS KNOW THAT ALL THE BOOKS IN THE WINDOW ARE AVAILABLE TO CHECK OUT. I LOVE OPENING IT UP TO SHARE SOMETHING THAT CAUGHT SOMEONE'S EYE.
